

OPTIONAL ENTRY REGISTRATION PROTECTION

Athletes can add protection to their event entry for \$4.99. Register with confidence, knowing that in the event of the following circumstances, you will be able to recover your entry fees:

- Injuries
- Family emergencies
- Unexpected illness
- Car accidents
- And more

The cost of protection is a nominal percentage of your total entry, and you will be eligible for a 100% refund, including taxes and processing fees, if you need to cancel. This insurance does not cover event cancellation due to Acts of God (e.g., weather, pandemics, etc.).

What Is Refunded?

We reimburse you for the cost of a non-refundable, unused entry, less any refunds, if you are unable to use your race entry due to one or more of the following reasons (with adequate documentation):

1. Any serious injury or unforeseen illness occurring to an Entry Holder that prevents them from attending the event. The Entry Holder must be examined by a physician within 72 hours of the claim, and the physician must advise the holder not to attend.
2. Any serious injury or unforeseen illness occurring to an Entry Holder's family member that requires Entry Holder to provide primary care. The family member must be examined by a physician within 72 hours of the claim.

9. An Entry Holder being directly or indirectly involved in a traffic accident en route to departure on a common carrier, resulting in missing transportation to the event. 11. Severe weather conditions that prevent Entry Holder from attending the event. The Entry Holder must be unable to reach the event by car or common carrier. If the event is canceled due to the weather, the Entry Holder will not qualify for a refund.
12. Fire, burglary, vandalism, or a natural disaster that makes the Entry Holder's home uninhabitable after purchasing the Entry and before the event.
